

Australian Government

COVID-19
VACCINATION

COVID-19 VACCINES ARE FREE FOR EVERYONE

COVID-19 vaccines are free for everyone in Australia over 12 years old, including:

- ✓ people who are not Australian citizens
- ✓ people who are not permanent residents
- ✓ people who are living in Australia on a visa
- ✓ people without a Medicare card
- ✓ overseas visitors
- ✓ international students
- ✓ migrant workers and
- ✓ asylum seekers.

Where can you get your free vaccine?

Get your free vaccine at a government vaccination clinic, participating pharmacies, or book a vaccination appointment with your doctor.

Book your appointment at
covid-vaccine.healthdirect.gov.au/eligibility

Or call 1800 020 080. For interpreting services call 131 450
