Zapi hmanmi fawn le kutput phone in na ahcun acaan cung hngat in aman tam deuh lai.

Get proof of your COVID-19 vaccination

You can get proof of your COVID-19 vaccination status through your immunisation history statement or COVID-19 digital certificate. You do not have to pay to get this proof.

The easiest way to get your statement or certificate is online using either:

- your myGov account
- the Express Plus Medicare mobile app.

Your vaccination provider needs to report your vaccinations to the Australian Immunisation Register before you can get your statement or certificate. This can take up to 10 days.

Your immunisation history statement shows all of the immunisations you have had that are recorded on the Australian Immunisation Register.

Your COVID-19 digital certificate only shows your COVID-19 vaccinations. You will be able to see your digital certificate after you have had all required doses of a vaccine that has been approved for use in Australia.

How to get your immunisation history statement or COVID-19 digital certificate if you are eligible for Medicare

Using myGov:

1. Sign in to your myGov account.
2. Select the **Proof of COVID-19 vaccination** quick link.
3. Select your name, and then **View immunisation history statement (PDF) or View COVID-19 digital certificate (PDF)**.

Using the Express Plus Medicare mobile app:
1. Sign in to the app.
2. Select **Immunisation history** from **Services**.
3. Select your name, and then **View immunisation history statement or View COVID-19 digital certificate**.

If you cannot get your immunisation history statement online or need help, call **1800 653 809**.

Adding your COVID-19 digital certificate to a digital wallet

You can add your COVID-19 digital certificate to your Apple Wallet or Google Pay using either:

- the Express Plus Medicare mobile app
- your Medicare online account through myGov using a browser on your device.

If you are using the Express Plus Medicare mobile app:

1. Select **Immunisation history** from Services.
2. Select your **name**, then **View COVID-19 digital certificate**.

3. Select either **Add to Apple Wallet** or **Save to phone** for Google Pay.

If you are using your Medicare online account through myGov:

1. Sign in to your myGov account using a browser on your device.
2. Select **Medicare**.
3. Select **View immunisation history** on the Immunisation history tile.
4. Select your **name**.
5. Select either **Add to Apple Wallet** or **Save to phone** for Google Pay.

If you are using an iOS device, you can use the Safari or Chrome browsers. If you are using an Android device, you need to use the Chrome browser.

If you do not have a Medicare online account

You need to link Medicare to your myGov account to set up your Medicare online account.

Sign in to, or create, your myGov account at **my.gov.au**

You can then link Medicare using either:

- your Medicare card number and information from your Medicare history

- a linking code we have given you either over the phone or at a service centre.

For help linking Medicare to myGov, go to **servicesaustralia.gov.au/medicareguides**

How to get your immunisation history statement or COVID-19 digital certificate online if you are not eligible for Medicare

You can get your immunisation history statement or COVID-19 digital certificate online using the Individual Healthcare Identifiers (IHI) service through your myGov account.

You need to give us details from one of the following identity documents to verify your identity:

- your passport, with your valid Australian visa
- your Australian driver licence.

Once we have verified your identity, we will use your details to create your IHI. We will also link the IHI service to your myGov account. Then you can use the IHI service to view your immunisation history statement or COVID-19 digital certificate:

1. Sign in to your myGov account.

2. Select the **Proof of COVID-19 vaccination** quick link.

3. Select your name, and then **View immunisation history statement (PDF) or View COVID-19 digital certificate (PDF)**.

You can add your COVID-19 digital certificate to a digital wallet using the IHI service through myGov.

You can also get a copy of your COVID-19 vaccination proof through My Health Record.

For more information

- call the Translating and Interpreting Service (TIS National) on 131 450 to speak with us in your language about Medicare services

- go to **servicesaustralia.gov.au/covidvaccineproof** for more information in English

- go to **servicesaustralia.gov.au/yourlanguage** where you can read, listen to or watch videos with information in your language

- go to **australia.gov.au** for the latest COVID-19 updates and advice

- visit a service centre.

Note: calls from your home phone to '13' numbers from anywhere in Australia are charged at a fixed rate. That rate may vary from the price of a local call and may also vary between telephone service providers. Calls to '1800' numbers from your home phone are free. Calls from public and mobile phones may be timed and charged at a higher rate.
